Monthly Newsletter

New school year, New Start!

Our S.O.A.R. students have started their first semester in their various colleges. In the mist of global pandemic they continue to thrive. These are the year that will make the biggest impact on their lives yet they are learning, not just in the classroom (which is mostly online) but also in everyday life, to adjust, adapt and keep moving.

In our monthly Zoom Meeting Erica Wilson, Founder of 88 Blessings, went over some upcoming events and the code of conduct. This is what she expects of all 17 students. They are our next generation of leaders so she expects nothing but greatness from each of them.

Staying Connected

Each student has a S.O.A.R email address. This is the main form of communication with each other. By giving each student an email they are learning basic business skills and the importance of checking their emails on a regular basis.

You can also keep up with what's going on with our monthly newsletter and by following us on Facebook and Instagram @88blessings.

Stay Tuned For

Our annual Christmas party is in the works! We are looking to bless 88 families this year. We know that with the coronavirus is still around but we will continue our giving while abiding by the now normal social distancing rules. If you know of a family that is in need in the South Florida Area please let us know via email at Erica@88blessings.org

Our Mission

The 88 Blessings Foundation was founded by Erica Wilson and her son, Miami Dolphins star Allen Hurns. The Foundation's mission is to offer resources and a support system to single parents and students in need. Their goals are to build and develop a community that empowers single parents to re-focus their energy to grow economic stability, provide emotional support, and mentor students to take the next important steps with their education.

How to Get Involved

88 Blessings likes to support our students in any way possible. Besides supporting them in their studies, we are currently sending care packages to each student. If you would like to adopt a student by sponsoring a care package please contact us at Erica@88blessings.org.
